Mr. Tartaglia said that circulars would be out to households tomorrow, but beginning on Monday of next week starting on the North side of the Borough, they would be bringing in a street sweeper and asking residents to move cars from the even side of the street so that they can sweep the streets. In addition to which, they are inviting all of the Borough residents to bring all of their stuff out to the front, items that wouldn't normally go in the regular trash and things that aren't recycled. They can bring tree branches, brush, tables, larger items. They are encouraging residents to clean out their yards, and they will have their trash trucks out there, picking these items up. Tuesday and Wednesday, they will do the South side of the Borough; and Thursday, they will return to the North side again. He said that the Highway Department will distribute the circulars tomorrow. He said that all of the regular trash services will be in effect, and this is all in addition to the regular pickups. They can put anything that wouldn't normally go in the trash out for pickup. He said that for the purposes of the clean up, they are waiving the time for putting out the trash and the parking.
