

# The Borough of Clifton Heights

## Department of Code Enforcement & Community Development

Dear Clifton Heights Borough Residents,

Based on current recommendations from the Commonwealth of Pennsylvania, beginning Monday, March 16, 2020 Borough Hall including the administration, police, and fire departments will be closed to the public. These closures will remain in force through March 30, 2020, unless conditions warrant a change. During this period only staff and elected officials will be allowed into the buildings. No one else will be granted physical access.

It should be noted Borough Government will remain operational during the building closure. Borough personnel may be contacted through telephone and email and text. Borough public meetings are hereby postponed until further notice. We will continue to post relevant information received from Delaware County and the Commonwealth on the borough website and social media as it becomes available.
